THE DIRECTOR OF  
CENTRAL INTELLIGENCE

National Intelligence Council

5 November 1982

NOTE FOR: The Director

FROM : MG Atkeson

SUBJECT : NATO C<sup>3</sup>

I was unable to reach either [ ] or [ ]. The former did not return to his office before we left and the latter is out of town until Monday. [ ]

I called on Don Latham (DoD/R&E). He will be attending a NATO C<sup>3</sup> committee meeting in Brussels next week. He would be happy to meet with you Monday if you can afford the time. He recognizes the difficulty in grasping a sense for what is going on without a briefing, but he offers the attached papers for review anyway. I have tried to explain most of the acronyms (which are pretty heavy in these documents). [ ]

Would you like to see Don Latham?

Yes ☒

No ☐
